

GEORGE W. BALLEW ANSWERS CALL

Prominent Farmer and Esteemed Citizen Dies At His Home On Lancaster Avenue Early Friday

George W. Ballew, one of the most prominent farmers and citizens of Madison county, passed away at his home on Lancaster avenue about four o'clock this morning after an illness of a year from Bright's disease. Few of his host of friends knew that his condition was so serious and his death comes as a source of deepest sorrow to them all. Upright in all of his dealings with man, a staunch and true friend, and of unquestioned integrity George Ballew was a man whom the community as a whole can ill afford to lose. About a year ago he moved to town from the farm which he had owned almost all his life, on the Big Hill place. He has been a progressive and successful farmer, a man of a competence and leaves his family well provided for in this world's goods.

Besides his wife, who was Miss
Lucy Francis, of Garrard county, he
is survived by five children, Mrs. B. J.
Broadbush, of Madison county, Mrs.
John M. Price, of Atchison, Kansas,
G. T. Ballew, of Kansas City, Mrs.
Robert Collis, of Irvine, and Mr. Joe
Ballew, of this county. His children
are by his first wife, who was Miss
Jennie Francis, a sister of his widow.
The deceased was 70 years of age.
His sisters are Mrs. A. J. Tribble,
Mrs. Margaret Walls, of Pittsburgh,
Mrs. Mary Cobb, of Missouri, and
Robert Ballew, of Oklahoma, a
brother

For many years Mr. Ballew, has been a consecrated member of the church, and the funeral services will be conducted by his pastor, Dr. R. L. Telford, Saturday afternoon at 2 o'clock, to be followed by interment in the Richmond cemetery. The pallbearers will be: Active—Messrs. Robert Mason, James Parks, T. J. Smith, Sam Lackey, Waller Bennett and D. C. E. Smoot; honorary—Messrs. Fount Rice and White Bales.

Ponta, Delgada, May 23 — High winds and a choppy sea today caused a postponement of the flight of the NC-4 to Lisbon until Saturday. Commander Read is unwilling to risk the last survivor of the NC planes until the weather is perfect.

Mr. G. T. Little who has been in the hospital at Lexington for a few months where he was operated on, was able to be brought home this week, his friends hope to see him out soon.

**A Mother's Happiness
Made Perfect**
Of Utmost Importance That She Have
y Care.

The expectant mother's physical comfort should be our first thought, and all about her should see to it that her preparation for baby's coming be complete.
There is a most splendid remedy to prepare women for the greatest time in their lives, known as Mother's Friend. It is applied to the muscles of the abdomen, gently rubbed in, and at once penetrates to relieve strain on nerves, cords and ligaments. It makes the muscles so pliant that they expand easily when baby arrives; the hours at the time are fewer, and pain and danger at the crisis is naturally avoided.
Mother's Friend enables the mother to preserve her health and strength, and she remains a pretty mother by having avoided discomfort and suffering which more often than otherwise accompanies such an occasion when nature is unaided. Every nerve, muscle and tendon is thoroughly lubricated. Discomfort during the period is counteracted, and the skin, after the crisis, is left smooth and natural.
Write to the Bradford Regulator Company, Dept. B, Lamar Building, Atlanta, Georgia, for their Motherhood Book, and obtain a bottle of Mother's Friend from the drug store today without fail.

In remote villages the traveler will find former west-front dough-boys working for the Army Food Mission, the American Red Cross Balkan Commission, or on pleasure bent, visiting, with the permission of the army, the old folks and the boyhood home. On Mytilene Island are Greek born Americans from several United States army units. One is from Springfield, O. and wears the Italian insignia of the Lion of St. Mark on his shoulder. Come and See the New Chandler Touring Car

**Most Beautiful Big-Car Offering of the Season,
and the Price is Only \$1795**

THE new Chandler touring model is here. We have waited for it. Old Chandler owners have waited for it. It's here now and we are all proud and happy.
The Chandler of the past has had splendid bodies, but the new Chandler touring car even surpasses its immediate fore-runner in beauty of line, in bigness, in comfort of its cushioning, in the nicety of its custom-like workmanship and in its lustrous finish.
The new Chandler Touring is a big car. Its high hood and radiator, its broad cowl, its wide and deep doors give it distinctive appearance.

And it RIDES,—it rides like a dream

Nothing has been cut out to permit the delivery of this fine big touring car at the Chandler price. Indeed, many little details of nicety are added. The back curtain window is beveled plate glass. The clear-vision side curtains fit snugly and open with the doors. There are detachable rear quarter-bow curtains. There are outside door handles.

Features which have been standard Chandler qualities in the past are continued. The cushions are upholstered in genuine hand-buffed plaited leather. The front compartment floor boards are covered with heavy gray linoleum, aluminum-bound. The two comfortable auxiliary chairs fold away, entirely concealed, when not in use.

**Carrying this Handsome Body
Is the Famous Chandler Chassis**

You will choose the new Chandler touring for its bigness and its comfort and its handsome dignity. But you will choose it, too, for its mechanical excellence. Fifty thousand Chandler owners know, better than we can tell you, what a good car the Chandler is. The famous Chandler motor and the sturdy excellence of the whole chassis make the Chandler notable among fine cars.

The Chandler continues for 1919 all its distinguished mechanical features; solid cast aluminum motor base extending from frame to frame, silent chain drive for the auxiliary motor shafts, annular ball bearings, Bosch Magneto ignition and many other features of design and equipment characteristic of the highest-class motor car construction.

Tendency to Constipation?

USE THIS LAXATIVE!

Dietitians advise a "careful diet," but that is troublesome to most people; physical culturists advise "certain exercises," which is good if one has both the time and the inclination. Doctors advise diet and exercise and medicine. The question is, shall it be a cathartic or purgative medicine? Or a mild, gentle laxative?

Thousands have decided the question to their own satisfaction by using a combination of simple laxative herbs with pepsin known to druggists as Dr. Caldwell's Syrup Pepsin. A small dose gives a free, easy movement of the bowels. It is the best substitute for nature herself. In fact, since the ingredients are wholly from the vegetable kingdom it may truthfully be said it is a natural laxative.

Its positive but gentle action on the bowels makes it an ideal remedy for constipation. The dose is small, and it may be taken with perfect safety until the bowels are regulated and act again of their own accord.

The druggist will refund your money if it fails to do as promised.

"My mother, who is 69 years old, has been troubled with her liver for 35 years. Doctors said she had gall stone. Several times she fell unconscious because of these attacks. Eight months ago I noticed an advertisement of May's Wonderful Remedy in the Toledo Blade, and purchased a bottle, which did her a great amount of good. She continued the treatment and has felt entirely well since." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes a practically all stomach, liver and intestinal ailments, including appendicitis. "That's just what I've always wished a cigarette would do — satisfy"

The feature of Chesterfields is that they begin where other cigarettes leave off.

In other words, besides pleasing the taste, Chesterfields go 'em all one better—they satisfy! Just like a long drink of cold water satisfies when you're downright thirsty.

No other cigarette can give you this new thing in cigarette enjoyment because none can copy Chesterfield's blend.

It's a blend of the finest TURKISH tobaccos from Xanthi, Cavalla, Smyrna and Samsoun and several varieties of the choicest DOMESTIC. And the blend itself—the skill with which these tobaccos have been proportioned — is a real discovery in cigarette making.

"FACES"
Frank Devore, who just got home from France, brought with him this poem written by a "bunkie" of his, who lives in Louisville, and which he handed to the Daily Register for publication: It reads as follows:

But yesterday I left behind,
The fields that bear war's ghastly traces;
And oh, how glad I was to sail,
Towards the land of fairer places.

And now at port I see the people,
The buildings, traffic and the light;
And they somehow, oh, seem so good—
It almost numbs me with delight.

But now the people come up closer,
And speak kind words to friends and me,
And tell us how good it is to see us,
And smile on us, ah, splendidly.

We know full well that they are aiming
To make as real our high desire;
To feel at home, and—to forget
The pain sustained in battle fire.

But while these people, these dear,
Good people,
Behold us in those battle-places;
We, too, behold those fields again—
Clear-written on their lovely faces.

All that is really necessary to afford relief is to apply Chamberlain's Liniment freely. Try it. It costs but 35 cents a bottle. Large size 60 cents.
